Donn,

We need to firm up a date for the San Jacinto meeting (as promised by Sam) for the week of May 23, 2016, or the week of May 16, 2016.

We need a date so that we can confirm participate by other agencies, Texas Health Department, ATSDR, risk assessors, Houston water department, Corps of Engineers, and others.

Sam and Carl are already asking Superfund to start the discussions with other agencies for the meeting. CAS
